ASSOCIAZIONE ITALIANA ASTROFILATELIA

English Edition

N° 34 – September 2017

## 5<sup>th</sup> Edition of Scienza Fantastica 2017 in Spotorno

Also was on show the *Exomars area*, made available by Thales Alenia Space. This was prepared by our ASITAF member Annibale Rega, who had already presented it earlier in March in Villarbasse and again in Milan in June during the Flight Festival.

A new set of panels completed the exhibition area, summarizing the history of the Red Planet exploration over the last 50 years.
